## **NEWS RELEASE**

### **VANCOUVER, B.C. February 1, 2012 – ELECTRIC METALS INC. (TSX-V: EMI) (the “Company”)**

The Board of Directors of the Company announces the resignation of Dr. David Stone as a Director of the Company. The Company wishes to thank Dr. Stone for his contribution and involvement and wish him well in his future endeavours.

#### ***About Electric Metals Inc.***

Electric Metals is a Canadian junior mining company focused on exploration for rare earth elements, with properties in two leading Canadian REE exploration districts. Electric Metals has an option to earn a 75% interest in the Chuchinka property, located 80 km north of Prince George, British Columbia, from International Montoro Resources Inc. (TSX-V: IMT). The Chuchinka property is contiguous with the Wicheeda and Carbo rare earth discoveries, operated by Spectrum Mining Corporation (a private company) and Canadian International Minerals Inc. (TSX –V: CIN) respectively.

The Abitibi properties are located in the Montviel area of Quebec and control most of the major syenite complexes that surround Geomega’s (TSX-V: GMA) Montviel syenite-carbonatite complex. Electric Metals has the option to acquire a 100% interest in the Abitibi properties.

Mr. Chris Taylor, M.Sc. P.Geo, is the Qualified Person as defined by National Instrument 43-101 has reviewed and is responsible for the accuracy of this news release.
